2018

National Water Week **Colouring Competition** for Primary School Students

The National Water Week Colouring Competition is run by the Australian Water Association and is open to all primary school students across Australia.

There are two prizes to be won; a prize for first place and a prize for second place.

Competition Guidelines:

1. This competition runs from 10 September 2018 to 16 November 2018.
2. Judging will be conducted by Australian Water Association staff members from 19-21 November 2018.
3. Winners will be selected by the judging panel based on creative merit.
4. Winners will be notified by the Australian Water Association on 22 November 2018 and the winning entries will be announced across the Association's digital platforms from 23 November 2018.
5. The winners will each receive a prize valued at \$200.
6. Judging decisions are final.
7. Prizes are not redeemable for cash or services.
8. You may enter as many times as you like, provided there is a unique entry completed every time.
9. Employees of the Australian Water Association and their families are ineligible to enter.
10. By entering this competition, you agree to the returned entry (including first name and state) being displayed across the Australian Water Association's print and digital platforms for promotional purposes.
